

# Strategist

## Analyst

**Motivation to lead:** Innovation through use of reason and structure.

**Gifts:** Reason, logic, knowing how to refine and define data so it makes sense; creates and streamlines systems and processes in areas such as science, technology, law and government; great teachers.

**Challenges:** Introverted (can feel misunderstood), workaholic, high standards for self, overburdened by weight of decisions, hard time creating boundaries, feels deeply.

### **STRATEGIST REFLECTION QUESTIONS:**

1. What does being a Strategist Leader mean to you?
2. If visibility doesn't come easily to you, how can you think of it in a new light that frames it around the good you are doing in the world?
3. What's your natural flow and method of navigating both the big picture and small picture (i.e. the details)?
4. What do you like about being a Strategist?
5. When you feel the burden of your work on your shoulders, how do you decompress and find perspective?
6. What's your vision for the world and how do you keep it alive in your day-to-day life?
7. What do you do for fun? Light-hearted, supportive and kind people in your life will allow you to do more and to have more perspective when life and work in particular feel too challenging.
