Priscilla Stephan

Lead From Your Soul

Priscilla is a dynamic, candid and inspiring speaker who speaks on podcasts, radio shows, and at events on the topics of:

Conscious Leadership • Entrepreneurship • Growing a Soul-Led Business • Creating a Lifestyle Business Without Burning Out • The Power of Resilience to Live Your Dreams • Speaking Your Truth And Staying True to Yourself.

Ranging from soul-led leadership, entrepreneurship to creating a lifestyle business without burning out, below are the most common topics Priscilla speaks on:

Becoming a Purposeful Leader

How to grow your Business thru your Soulfluent® Leadership Archetype + Create a World that Works for Everyone

Your audience will learn:

- How applying your Soulfluent® Leadership Archetypes in your business allows you to create sustainable profits in a new paradigm economy where everyone wins.
- How understanding your innate leadership style and strengths is key to making an impact in the world without burning out or compromising your values.
- How doing the interpersonal and inner work creates the emotional capacity to lead others that gets results and inspires your team, organization and colleagues to support your vision.
- How to create a culture that invites collaboration, trust, and invites collective growth and a spirit of “we’re in it together”.

Creating 360° Wins Through Conscious Leadership

How to make a lasting impact in the new world that's emerging

Your audience will learn:

- How to create empowering and supportive relationships that create win-wins in life and in business.
- What it really takes to create work cultures that people love to work in and to be a part of.
- How understanding your innate leadership style and strengths is key to making an impact in the world where everyone thrives (no burning out) or compromising your values.
- How doing the interpersonal and inner work creates the emotional capacity to lead others that gets results and inspires your team, organization and colleagues to support your vision.

The Soul Edge:

Cultivating your leadership to build sustainable profits, equitable economies, and collaborative cultures

Your audience will learn:

- How to cultivate leaders whose contribution is meaningful, lasting and sustainable and that transcends outdated business models.
- How to create a culture that invites collaboration, trust, and invites collective growth and a spirit of "we're in it together".
- How applying your Soulfluent® Leadership Archetypes in your business allows you to create sustainable profits in a new paradigm economy where everyone wins.

Permission to Have it All:

An unconventional approach to thriving without burning out, quitting, or compromising your vision or who you are

Your audience will learn:

- The "yes and" approach to creating a life and business that allows you to have your cake and to eat it too because who says you can't?
- My simple motto to stay in the game when you think you can't go on any further.
- How to stay true and committed to your vision despite old patterns that may have held you back in the past.
